

Painting of Senior Parking Spaces 2011

Seniors will be painting their parking spaces on Friday, August 19th from 6 p.m. to 9 p.m., on Saturday, August 20th from 7 a.m. to 8 p.m., and on Sunday, August 21st from 7 a.m. to 7 p.m.

In order to follow all city and district codes, please note the guidelines below that must be followed for the painted parking spaces.

- **WATER BASED EXTERIOR LATEX** paint is the only type of paint that can be used.
- No Reflective paint
- No Spray paint
- No Fluorescent paint
- Students must keep a 4" unpainted border between the white parking space lines and the paint in their parking spot. (please use blue painters tape)
- The cost per parking space is \$50, which covers the cost for the permit as well as the cleaning fee for future painting. If you are not planning to paint your space, but would like to pick your personal unpainted space, you may do so for the cost of \$20.00.
- The order in which students pick their spaces will be determined using a lottery system. All students who have their designs approved on Friday, August 5th at 4:00 p.m. will have their names randomly drawn to determine the order in selecting their spot. The physical lottery drawings will take place on Monday, August 8th, and students will be notified via email on Wednesday, August 10th of their time to select a parking space.
- Students may actually select their parking spaces starting Friday, August 12th beginning at 9:00 a.m. and continue through the day based on their personal lottery number. Students must be present or have an authorized representative provide a handwritten note and student signature allowing a proxy to pick and pay for their space. Emails will not be accepted. Students must make their selection at that time or lose their lottery selection position. Students who lose their position may select a space beginning Friday, August 19th.
- Students who are approved for painting a parking space must select an outlined space on the parking lot diagram if one is available.
- Students will pay \$50 for parking on Friday, August 12th after they select their parking spot. No cash will be accepted. Checks should be made payable to Lovejoy High School. **Students must present a TX driver's license and valid insurance, and have a license plate number to purchase a parking spot.**
- Any artwork depicting items, symbols, or language that LHS administration deems inappropriate will not be allowed.
- You may purchase WATER BASED EXTERIOR LATEX paint at retail stores like Sherwin Williams, Lowes, or Home Depot.

To protect the concrete in the parking lot from possible damage from pitting and weathering that yearly pressure washing could incur, and to be able to offer a reasonable fee for painting parking spaces, last year's painted spaces will not be pressure washed this summer. As a result, we highly recommend that students prime their space to ensure that the current paint doesn't show through.

All designs must be completed on the Senior Parking Design Request form and returned to the front office for approval by the Assistant Principals. Your design should be clearly drawn on this form and must include the colors you will be using on your parking space. On your design sheet, please include your first and last name, email address, and cell phone number where you can be reached. Once your design has been reviewed, you will receive an email letting you know if it is unacceptable or if any changes need to be made.

All designs are due no later than **Friday, August 5th at 4:00 p.m. in the LHS front office.** There will be time to review designs and communicate with seniors any changes that need to be made. Checks should be made payable to Lovejoy High School. Students may start dropping off design requests on Wednesday, July 27th in the front office. If you have any questions, please contact the front office at 469-742-8700.

● Time Line For design approval and lottery:

Wednesday, July 27th , 9:00 a.m. Window opens for design request submissions

Friday, August 5th, 4:00 p.m. Window closes for design request submissions
